### **LETTER OF RECOMMENDATION**

I am pleased to write this letter of recommendation for **Ms. Sneghatharini R**, who recently completed an internship at Vcodez from March 2025 to June 2025. It has been a pleasure to observe her professional growth and commitment throughout her time with us.

Sneghatharini distinguished herself as a diligent and enthusiastic intern. She approached every task with sincerity and a strong desire to learn, often going beyond what was expected of her. Her inquisitive nature and eagerness to understand core concepts made her stand out among her peers.

What particularly impressed me was her problem-solving ability and strong communication skills. Sneghatharini consistently demonstrated clarity in thought, precision in execution, and maturity in decision-making. She actively participated in discussions, confidently presented her ideas, and accepted feedback with grace.

She has also shown strong leadership potential. Her punctuality, discipline, and adaptability allowed her to work well both independently and within a team. Despite being in a learning role, she quickly grasped complex workflows and contributed meaningfully to our projects.

I have no doubt that Ms. Sneghatharini will excel in a graduate program and make the most of the opportunities provided to her. I strongly support her application to your esteemed university and am confident that she will be a valuable addition to your academic community.
